MEMORABILIA

"Turn, turn my wheel! Turn round and round
Without a pause, without a sound:
So spins the flying world away!
This clay, well mixed with marl and sand,
Follows the motion of my hand;
For some must follow and some command,
Though all are made of clay!"
Longfellow.

*PUBLISHED BY THE
CLASS OF 1968
BLOOMSBURG AREA
SENIOR HIGH SCHOOL
BLOOMSBURG,
PENNSYLVANIA
VOLUME XLIV*

A challenge meets us face to face. As we, the Class of 1968, graduate, we leave behind all the memories of events which have influenced our future.

In this edition of the Memorabilia we have tried to represent these memories so that they may always be remembered. However, more important are the days which are yet to come. The Class of '68 steps into a world of new ideas, new situations, new inventions, and new opportunities. Each challenge must be accepted. The wheels of progress continue--the world lies in our hands.

FOREWORD

The editors and staff of the Memorabilia wish to thank Miss Beltz for the time and effort she contributed during her first year as advisor of this yearbook. Without her help, we would not be able to present the 1968 Memorabilia.

IN MEMORIAM . . .

Betijane Penman
(1950-1965)

Thomas Ward
(1950-1965)

The Class of 1968 would like to remember in this yearbook two of its former classmates. Those of the class who knew these students, valued their friendship and were saddened to lose them from the class. Fondly given the nickname "B.J.", Betijane was loved by all her friends for her great personality. Tom will always be remembered for his cheerfulness and integrity.

DEDICATION

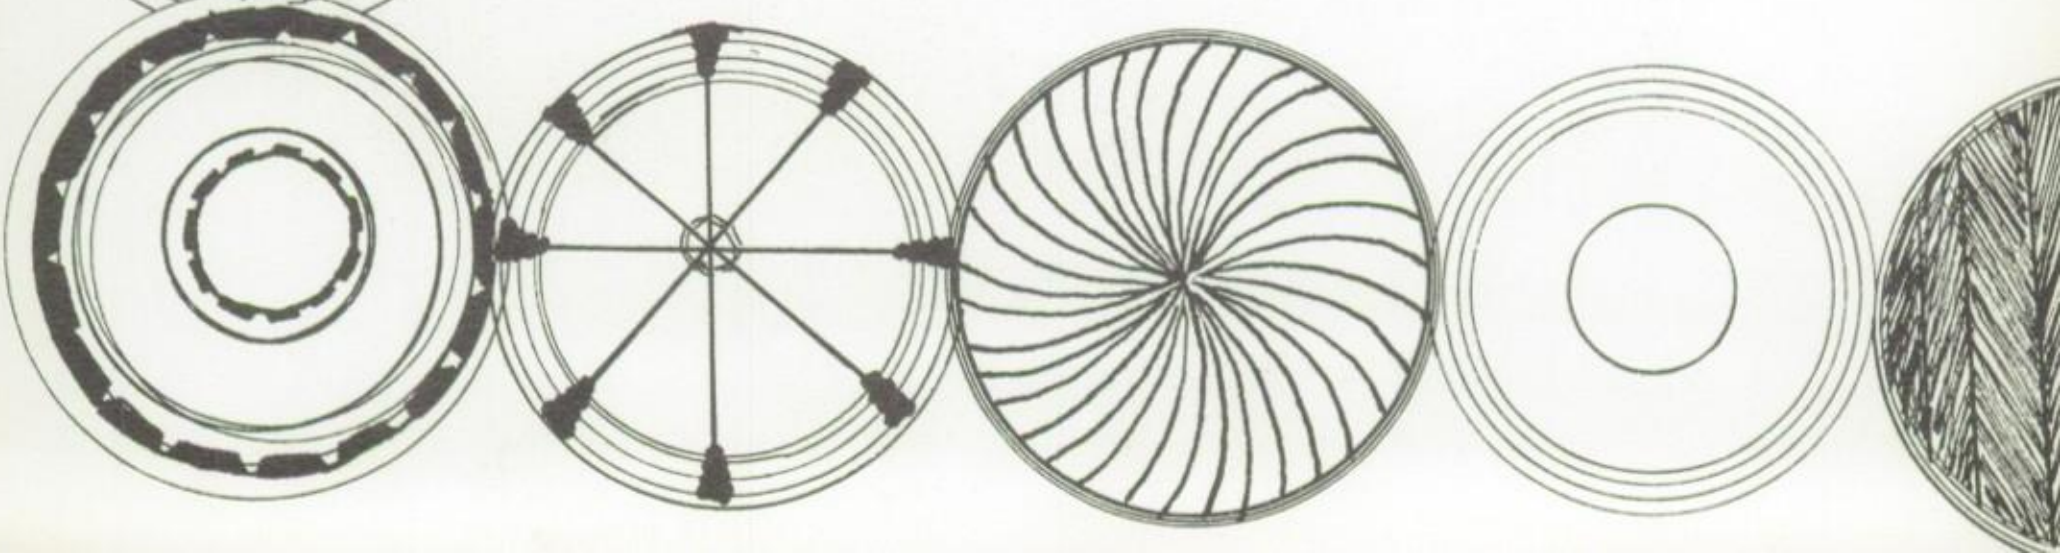

With deepest appreciation and sincerest gratitude, we, the Class of 1968, dedicate this 1968 Memorabilia to Mrs. Judy Kleinbauer and Mr. Edward Kriner, our class advisors. This material recognition, however, can hardly begin to compare with the many unmeasurable gifts of service they have rendered to us. Under the inspiration of their leadership, our three years at Bloomsburg High School became meaningful and worthwhile. We only regret that so many of their efforts are "known but to God".

Oh, Bloomsburg High School, Alma Mater

Always faithful, always true,

Your sons and daughters e'er will cherish you;

Red and white to you all hail.

See our colors waving o'er us

Proudly may they ever fly!

Bid us now to do or die.

Oh, Bloomsburg High School, Alma Mater

Receive the honor we would give.

And may we strive to do our best and live

True to Bloomsburg High, all hail!

The purpose of the Memorabilia is to create a lasting record of this year and of the seniors' school activities. At the start of their senior year, students who expressed a desire to work on the Memorabilia were put on the staff. From these members the editors were elected. Although the editors put in much time and effort, the staff was kept busy typing, drawing, and obtaining advertisements.

MATH DEPARTMENT

The B.H.S. student has the good fortune of having many varied math courses offered to him. Whether he takes business math, algebra, general math, trigonometry, geometry or math analysis the student is always met with a challenge.

SCIENCE DEPARTMENT

The five science courses offered at B.H.S. are designed to create in the student, not only respect and knowledge of past scientific achievements but also an appreciation of the ever-more technological world that surrounds him. A year in senior science, biology, chemistry or physics achieves this goal besides giving the student experience--the universal Mother of Sciences.

Mr. M. Eugene Morrison

Mr. Gerard Dick

Mr. Leon Greenly

We can prevent history from repeating itself, but only through an analysis of former problems. The Social Studies Department at B.H.S. supplies the foundation for such an analysis. Through world cultures American history and problems of democracy the student's mind is opened to the dilemmas of past and present and is instilled with the ability to understand and cope with the problems he will meet when it becomes his turn to write history.

HEALTH AND PHYSICAL EDUCATION DEPT.

Miss Suzann Peters

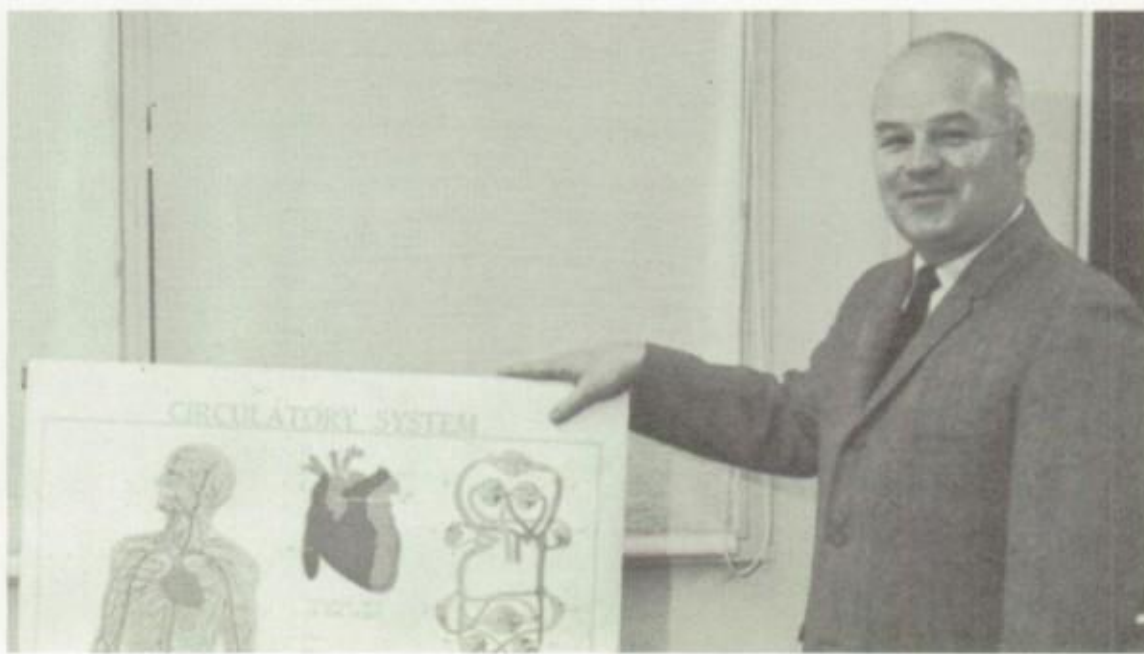

Mr. Edward Kriner

Physical Education classes are aimed at the physical and mental development of the student.

To graduate, it is necessary to pass both health and physical education.

This year the health and Physical Education programs have been headed by Miss Suzanne Peters and Mr. Edward Kriner. Aside from their regular duties as teachers, they are in charge of boys and girls intramural sports.

The world of Wall Street, financing and economics are adapted to fit the development of the business student at B.H.S. Typing, bookkeeping, shorthand and office practice develop the practical side of business while economics and basic business reveal the more romantic aspects of a career in business.

CO-OPERATIVE TRAINING--In his senior year, the business student might practice what he has learned through a Co-operative Training program. During the afternoon, the chance to work gives the student an opportunity to encounter some of the unforeseen problems which can then be discussed back in the classroom.

VOCATIONAL DEPARTMENTS

For those who do not intend to continue their education after high school, B.H.S. offers vocational training in agriculture, home economics, auto shop, and family studies. A course in mechanical drawing is also offered. By the time a student in this department has completed his senior year, he is definitely prepared to proceed into a job of his interests.

ART AND MUSIC DEPTS.

The thrill of recognizing the elegance of music and of comprehending the mysteries are some of the benefits a student who has studied in the department realizes. Not only does the student reflect on the accomplishments of others in these fields, but also on his own individual achievements.

With eager anticipation we began our sophomore year at BHS. We elected the following officers to lead us: Rod Keller, President; Dan Hack, Vice-President; Anne Hinkel, Secretary; Diane Creasy, Treasurer; and Helen Kline, Historian. Mrs. Judy Kleinbauer and Mr. Edward Kriner were chosen as our class advisers.

Knowing that our Junior-Senior Prom was ahead of us, we began working to raise money. We sold candy at all the home basketball games and wrestling matches, but in order to raise enough money we needed a bigger project. We decided to sell Tom-Watt kits which proved to be very successful.

In the spring of our sophomore year we held our "Sophomore Cotillion", which was enjoyed by everyone.

Our junior year was soon upon us. To lead us this year we chose Dave DeRose, President; Dan Bradley, Vice-President; Anne Hinkel, Secretary; Kathy Chyko, Treasurer; and Judi LeVan, Historian.

We got our junior year off to a good start by taking first place for our Homecoming float. Then we got down to the serious business of our Prom. To earn more money we sold candy and held dances.

After much debating and deliberation, we chose our theme for the Prom, the "Temple of Venus". The big night finally arrived. Walking through an archway of beautiful green trees, we entered the enchanting temple and danced among the tall columns to the music of Mal Arter and his orchestra. Upon leaving the temple we walked through a Grecian garden and around the colorfully-lighted fountain. At midnight Dave DeRose, president of our class, crowned Miss Susan Housenick as our 1967 Prom Queen.

Before we knew it, we were seniors. We chose Jim Patterson as president of our class. Aiding Jim were Rod Keller, Vice-President; Claudia Zehner, Secretary; Carla Daise, Treasurer; and Helen Kline, Historian. Our exchange student, Margaretta Helgren, was elected honorary secretary. Mrs. Zehner consented to be our class adviser when Mrs. Kleinbauer left.

Our years at BHS had finally come to an end, but we all knew that even though we were leaving, the memories we all shared here would stay with us forever.

Miss Judi LeVan is the first deaf student to have graduated from a public high school in Pennsylvania. Judi is a majorette, an active member of F.H.A., Tri-Hi-Y, Spanish Club, and several other organizations. She was our Junior class Historian, and a member of the 1967 Homecoming Court. In the summer, Judi appears as a dancer on the Steel Pier in Atlantic City, New Jersey, along with many famous celebrities. Judi plans to attend Bloomsburg State College and major in Special Education.

We believe Judi's wonderful philosophy to be, "I'm not handicapped--I just can't hear."

The Class of 1968 is proud to have Judi as a classmate and friend.

SPECIAL RECOGNITION

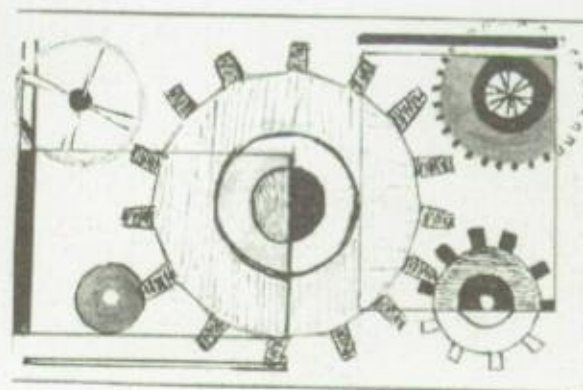

This year, Bloomsburg Senior High welcomed Margreta Hellgren from Veste, Sweden. Marg, as she is known to her classmates, is staying with Dr. and Mrs. John Hoch. She is sponsored by the International Student Exchange Program. Marg played girl's varsity field hockey, she was elected secretary of the senior class, and is a member of the Varsity B Club, the 1967 Homecoming Court, and Tri-Hi-Y.

A true ambassador of good will, Marg's friendly nature and quiet way have made her a great asset to B.H.S.

Juniors

The Class of 1969 took full advantage of their junior year. After carrying off the second prize for the Homecoming Floats, the class settled down to a steady pace of preparing for the Junior-Senior Prom. By raising money through candy sales, bake sales and a special Sadie Hawkins Dance, the goal of ALICE IN WONDERLAND Prom--"Through the Looking Glass" was achieved. Under the guidance of Miss Beltz and Mr. Bon-Ham, the Class of 1969 is sure to continue its inventive and progressive spirit into their senior year.

Sophomores

With Dr. Sober and Mr. Rice at the helm, the Class of 1970 steered itself through a successful year. The Class Treasury was whipped into shape after a rewarding Tom Watt campaign. Besides this, the class sold candy at the athletic events. As visible proof of what hard work and perserverance can do, the Class of 1970 strutted away with the First Place Float Prize in the Homecoming Parade.

STUDENT COUNCIL

The purpose of the Student Council at Bloomsburg High School is to serve as a governing body and to promote understanding between students and faculty. Homeroom representatives and Alternates are elected at the beginning of the year, and it is their job to carry out these responsibilities as well as to decide on major issues and to formulate student council policies. The officers are elected in the spring, and it is their job to help the Council members through leadership and helpful guidance. This year the Student Council staged a very successful Homecoming weekend. Another activity was the radio show, "Panther News and Views", presented every Saturday morning on WHLM. Council members were also busy working every lunch period at the Student Council store selling Bloomsburg notebooks, pencils, sweatshirts, etc.

A very successful magazine drive put enough money in the treasury for several projects to be considered, water coolers and an exchange student for the coming year being on the top of the list. This money also enabled the Council to sponsor buses to many of the away athletic events.

CHEERLEADERS

1967-1968 has been the most active and certainly the most rewarding for the B.H.S. cheerleaders. Along with the better attendance at school sports, there has been a rise in school spirit.

The cheerleaders attended camp last summer and brought back more new and exciting yells. The cheerleaders urged the Panther teams onto victory with them. Three cheerleaders have completed their final year at B.H.S. Mary Beth McCubbin has been with the squad for two years as a regular. Another senior is Martha Angus who has been on the squad for three years, first as a substitute then two years as a regular. Karin Gaugler, who has been with the squad for three years, was captain of the squad this year.

The wrestling team had a rough season this year. The team practiced hard and put out as much as was possible, although their record doesn't show their effort. The Panthers wrestled a tough schedule losing some close matches along the line. The team improved as the season progressed. They were strong in the heavier weights with the lightweights coming through with wins to help.

The Cast of the All-School Play,
"On a Clear Day"

TEMPLE VENUS

The evening of May 19, 1967 Miss Susan Housenick was chosen as the reigning goddess of the Temple of Venus. She was crowned by the Junior Class president, Dave DeRose.

Although the night of the prom itself will long be remembered, the fun of decorating and working hard will remain in the hearts of the class of '68.

PLE OF NUS PROM '67

The queen and her court: Marie Lesnefsky, Bonnie Bolinsky, Jeanne Hasson, Sara Appelman, Sue Housenick, queen; Marilyn Weir, Maid of Honor; Judy Lobb, Jackie Powlus, Joyce Lee, Sharon Laubach.

Venus looked on with admiration as the Juniors and Seniors ascended the stairs into the magical, mystical world of the Fates. With the 1967 prom queen and her court reigning over the festivities, this night is sure to stir memories in the souls of all who attended for years to come.

ON A CLEAR DAY

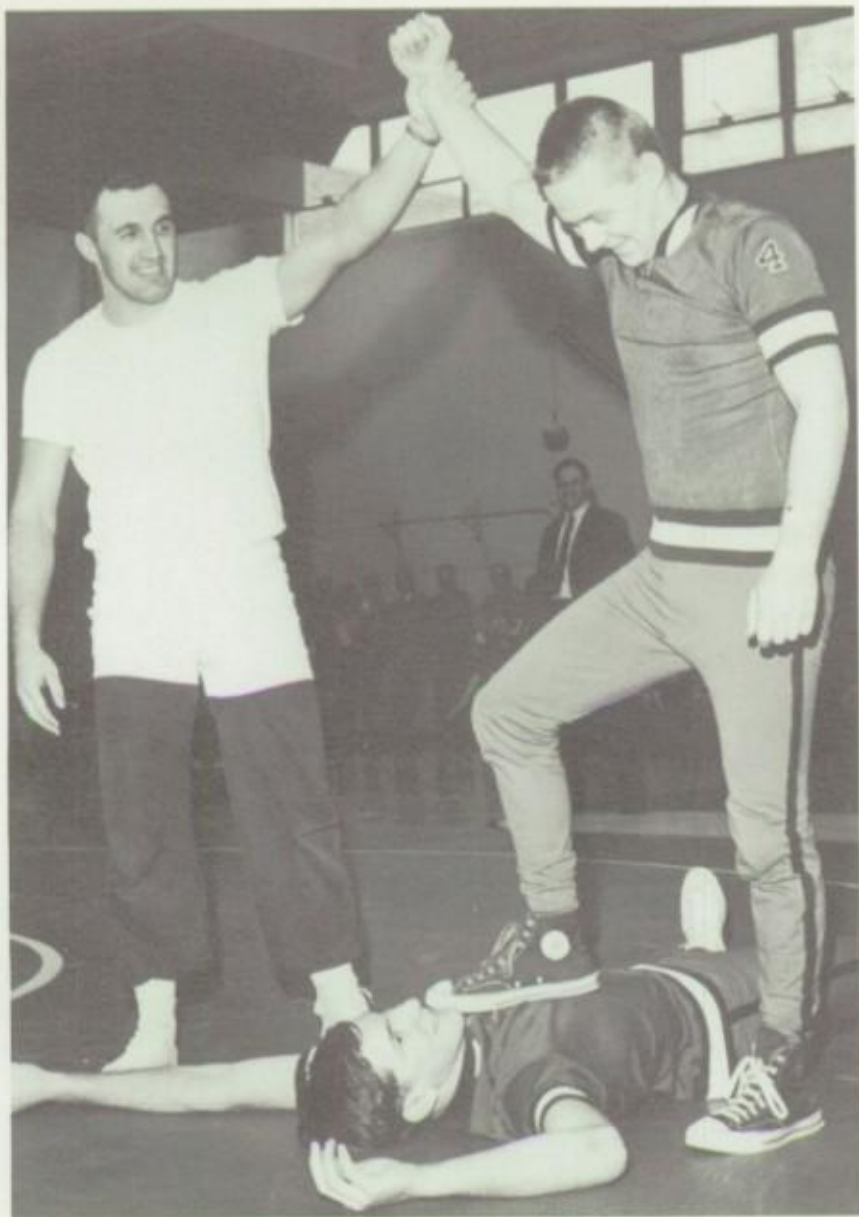

"On A Clear Day", capably directed by Mrs. Edward Deily, was enjoyed by all and was an excellent example of student acting. The play was complimented by the sets designed by John Hock and made by the Stage Crew under the guidance of Mrs. Tobias Scarpino. The props used in the play were handled by Nancy Metro and stage management was directed by John Martin.

This past wrestling season had caused enough interest that many students wanted an assembly pertaining to the rules and the actual moves of a wrestling match. The demonstration of holds were shown by two of our senior members of the wrestling squad, sectional champ, Dan Bradley and his teammate Don Lowe. Also during the assembly two of our well built faculty members, Mr. Sorber and Mr. Dukes entertained us with their professional wrestling talents. The assembly concluded with a well fought and interesting contest between Llyod Hauck and Ken Reisinger.

FEATURES

Something new and exciting was introduced by the cheerleaders to BHS in the fall of 1967. It looked like a portion of a red and white broom stick and we called it the "spirit stick". The purpose was to raise the spirit in the student body. When the spirit stick was raised cheering commenced. It was awarded to the class with the most spirit and changed hands at each pep rally.

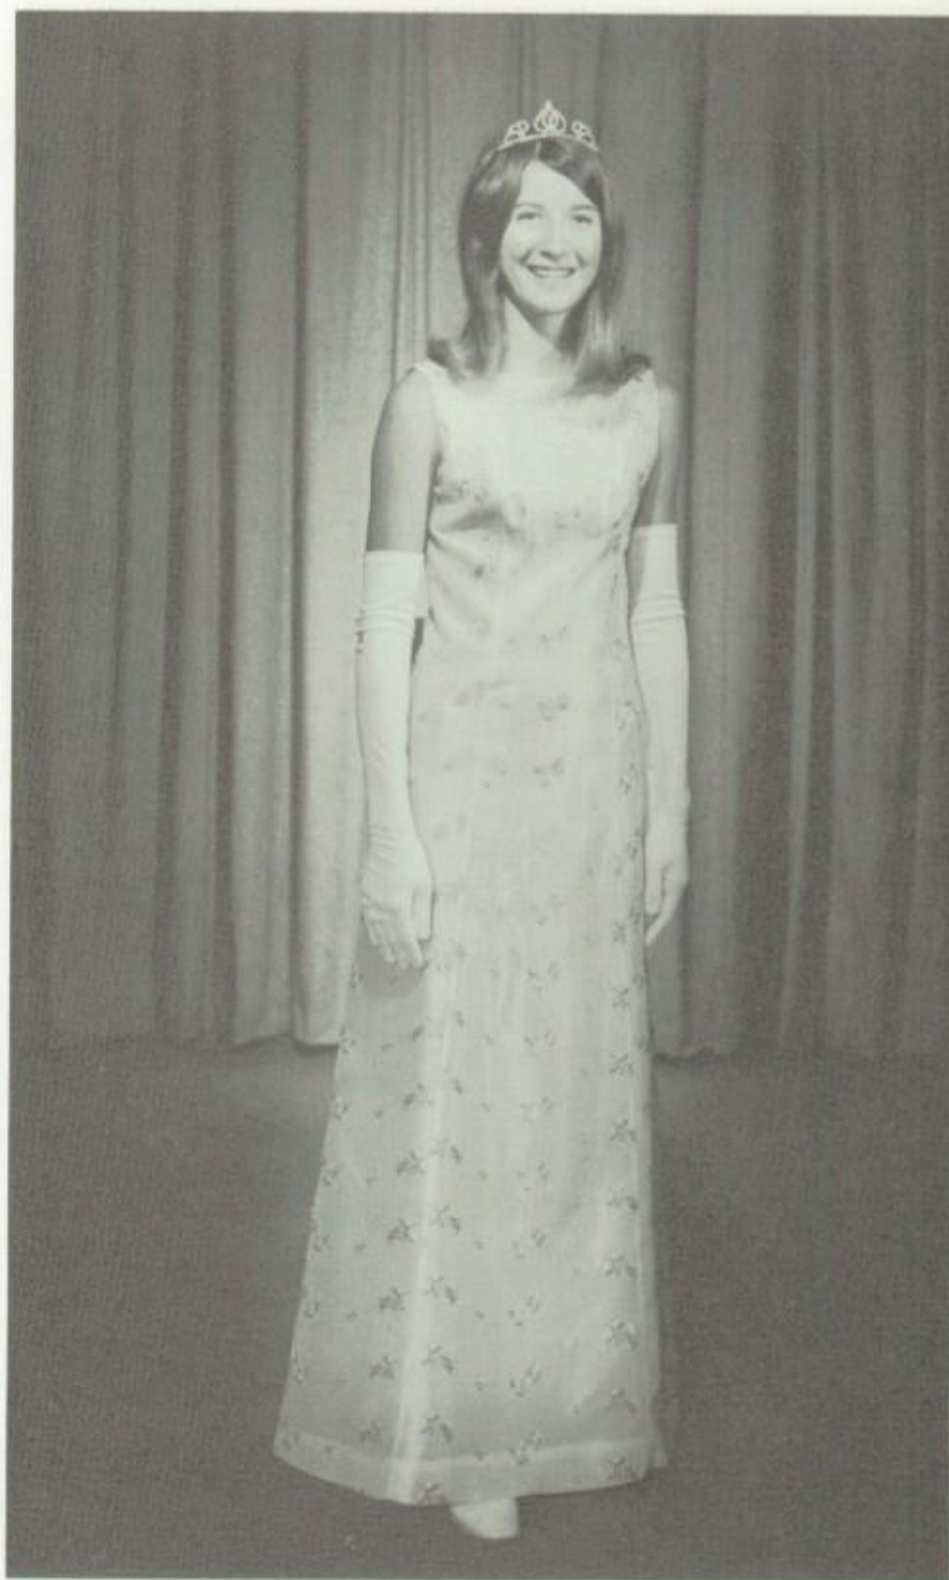

The Silver Bowl and the Judy Price Trophy are two football awards the Panthers won possession of during 1968. The Silver Bowl is given to the winner of the Bloomsburg-Central football game. It is presented during an assembly program. At an athletic banquet the victor of the Bloomsburg-Danville football game is presented with the Judy Price Trophy. These trophies serve as a reminder of this season's outstanding football team.

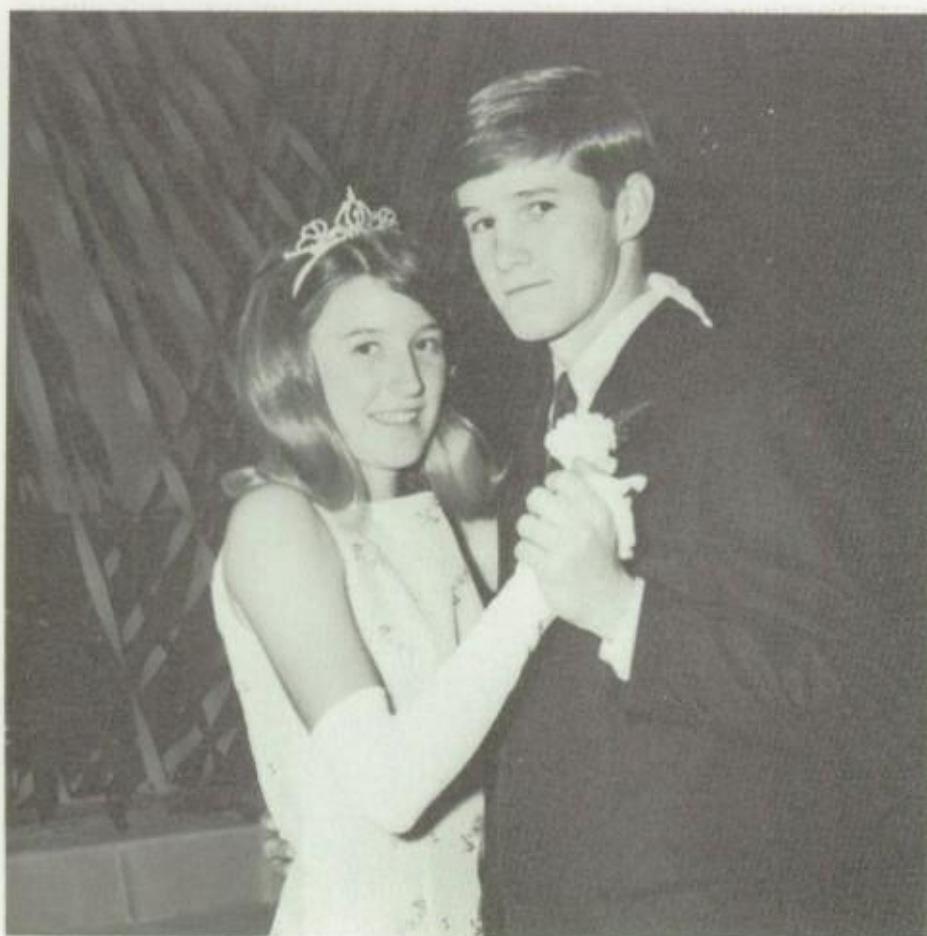

The Eighth Annual Bloomsburg High School Homecoming officially began Friday evening, October 20, 1967, with a spirited pep rally and dance. The climax of the dance was reached as Miss Helen Kline was crowned "our 1967 Homecoming Queen."

Leading off Saturday's events was the Homecoming Parade, which moved from the school at one o'clock. After the parade, the queen and her court were guests of the Student Council at the dedication ceremony for the new school bulletin board and a tea which followed, where they welcomed the faculty and alumni.

That evening the Panthers were host to the Selinsgrove Seals at the Homecoming Game. Our team walked away with a 26-19 victory. The victory dance which followed the game was the final event in that memorable whirlwind known as Homecoming '67.
